Owner Name _____ **Unit #** _____ **Circle all relevant conditions below:**
Property involved: mine   other unit (incl. view)   common.   Affects my: interior exterior
Type of request: windows/patio doors   garage door   air conditioner   patio   other

(See Rules & Regs par 3 for further details) Submit a description of the proposed modification(s) in writing, sufficient for the committee and Board to understand what is being proposed. Include a detailed list of materials, colors, and construction plan(s), incl. debris removal. For any and all contractors proposed to be used, include names and evidence of contractors' license, bonding, and insurance, as well as contract language holding CPV HOA harmless. Photographs or printed catalog materials can help, also description or evidence (such as marked up photos, drawings, or catalog images) of how similar the mods would be to neighbors, and how the modifications would appear from other units, from the street or other-common area(s).
